Title	Uniforms
Number	002
Adoption Date	1/1/07
Revision Date	
Approved by	Lewis Jenkins, EMS Director

Purpose:

This guideline defines the uniform classes for career EMS personnel. No uniforms or equipment issued by Madison EMS will be worn while off duty unless approved by the EMS Director. Employees will be neat and clean in appearance at all times. All shirts will be tucked in and appear professional.

Policy:

Class A Uniform: Issued blue uniform shirt (white for supervisors) with the following:

- County patch on left sleeve
- Certification patch on right sleeve
- Issued badge on left chest
- Issued name tag on right chest
- Issued Navy blue dress pants
- Issued work boots (polished)
- Issued dress belt

Uniform shirt will be ironed or dry-cleaned. Employee shall wear a long sleeve uniform shirt with a tie unless otherwise directed by the EMS Director. No insignia other than what is issued will be permitted on Class A uniform without prior approval of the EMS Director.

Class B Uniform: This uniform will be worn for regular duty and shall consist of:

- Issued navy blue EMS pants (BDU's not permitted)
- Issued polo shirt (navy for employee / gray for supervisors)
- Issued t-shirt (worn under polo / gray employee and navy supervisor) for hot weather.
- Issued job shirt or navy blue winter coat (worn over polo)
- Issued nylon belt
- Issued boots

Employees must be in full class B uniform when on calls or in public view. The only exception will be when the employee is doing physical training or performing work detail around the station. As soon as the employee is done with physical training or work they shall change back into uniform.
